Dear Hon. Judge Clark:

How are you doing? I pray that all is well. As per your 02-06-18 order I will abide with the terms totally. On February 27, 2017 the deposition is set for and I'm ready. I have 2 problems: 1. Neither attorney has turned over the discovery I requested. Such as admissions, Deposition answers and etc.. 2. I feel very disrespected because Mr. Leonard Seaman has undermined my intelligence. He has tried to slide into deposition on 2:15-cv-07442 (KM) (MAH). This involves OFF. Sevigno and Corp. John Doe in which your not the magistrate. Magistrate Hammer, is the Judge in that case. I refuse to answer any questions on that Sevigno matter because I was not placed on notice, nor could I oppose. These two attorneys are up to games please protect me. Their is no order by Judge Hammer and never a motion neither. And their plan is to take my deposition

Wait to the last minute and give me that discovery you ordered for them to turn over. And file their Summary Judgement right at 03-31-18. And have you mad at me because I won't have time to meet your deadline of 03-31-18, Sift the discovery, and respond to Summary Judgement! Please respond back A.S.A.P. on how to proceed I'm ready for the deadline im not looking for anytime. I want you to make sure im protected and have time for the discovery, and respond to Summary Judgement. I will not answer any questions in the deposition on Cuccinella or Savino. You did not order that. This behavior by these attorney's are going to force me to file a Complaint, I'm going to try to reach out to them. Please assure that they turnover Summary Judgement Motion, and the discovery so I can be ready 03-31-18. This is not my fault!!! I feel very disrespected And ethically mistreated by these attorney's Period!!!

Dincerely yours,
Cham M = Phine
